I can't think about it
(This) politics of change
Makes me laugh to find it
Always will remain the same
Yeah

The seasons change around me
With no effect from man
It happens naturally
Next year it will happen again
Yeah

It's happening all around them
But they won't comprehend
There's rage in the quiet people

Another Pork-a-Looza
(When) will it ever end?
The waste would shame our Fathers
That money isn't yours to spend
Yeah

The empty suit on my screen
With thrills run up his leg
The big money owns his network
So news is propaganda instead
Yeah

It's happening all around them
But they won't comprehend
There's rage in the quiet people
And don't you know that
We don't care about POTUS' new dog
Where's the watchdog watching for us?
We want the truth and not Pravda
Oh the writing's on the wall
That's right, that's right

It's happening all around them
But they won't comprehend
There's rage in the quiet people
They're gonna hear from us again
Yeah
Do you hear what I say? Well yeah!
